### Your safety comes first

At Premier Painting, we are putting the safety of our clients and staff first in these difficult times. We would like you to know that all staff have completed Australian Government Infection Control Training (COVID-19) and we have an NSW accredited COVID Safety Plan in place. We carry out safe social distancing and personal hygiene measures, along with wearing correct Personal Protective Equipment.

### Our client focused process

From the repaint of your internal and external areas of your building to maintenance paint works of museums, halls and schools, let Premier Painting's experienced team manage the process for you.
