- **Possible** exceptions for some owners corporations and associations include:
  - Face masks are compulsory in public transport waiting areas (applicable if they are on common or association property, for example a bus stop).
  - Face masks are compulsory for unvaccinated hospitality staff working in an indoor area and dealing directly with members of the public – for example, if there is a cafe on common property or association property.

#### Contact tracing

- Owners corporations and associations are required to record contact information if they operate a gym that:
  - is a building or place used predominantly for indoor recreation, whether operated or not for gain, and is open to the public.
  - This does not include dance, yoga, Pilates, gymnastics or martial arts studios.
- If this applies, then owners corporations and associations must record contact details of the person, keep them for at least 4 weeks, and make them available to NSW Health within 4 hours of a request.

#### Tradespersons working at strata or community schemes
